CONTRIBUTIONS AND CHARGES

The cost of education, including instruction, administration, establishment and maintenance of buildings are met by government funding. The Education Act 1999 allows government school budgets to be supplemented by local fundraising and prescribed contributions and charges to further enhance the learning experiences of children.

Contributions

The total amount of contributions parents and carers are being asked to pay for students at Caladenia Primary School is **\$60 per child**, no matter which class they are in.

The quality of our teaching and learning programme will be maximised when each family makes its contribution to the cost of supplementing funding gained from all sources.

Money collected will be used to supplement school expenditure in the areas listed below:

- Classroom resource materials e.g. art materials, computer equipment, etc.
- Library materials
- Cooking and Craft (Kindergarten and Pre-primary students only)
- Photocopying for class work
- Sporting equipment

The School Board has stated that Contributions may be collected by Ziggies Enterprises on our behalf, as indicated on Personal Student Requirements List 2017.

Charges for extra cost optional components

Charges apply to extra, optional components of educational programmes provided in Kindergarten to Year 6.

Extra cost options are specific activities, services or facilities that schools offer for students to use or take part in. As students choose to take part in these activities, the associated charge **must** be paid. Students who do not participate will be provided with an appropriate educational activity.

A breakdown of **estimated** charges for your child's participation in incursions/excursions and activities for 2017 is set out in the schedule below.

The amounts indicated on the schedule represent the **maximum** charge. The actual charge may be less, and we may not hold all of these activities.

Costs associated with specific learning activities, available to all students but conditional on a payment being made.

Items of jewellery that students are allowed to wear are:

- Sleepers
- Stud earrings

- Jewellery that needs to be worn for cultural or religious reasons.

Hair and make up

Hairstyles is a matter that requires good taste and judgment as to what is in the best interests of the community/school overall. We ask students to adhere to the following:

- Hair is to be neatly groomed and hair on/below the shoulders must be tied up. This applies to both girls and boys.
- Our community does not adhere to a "look at me" attitude at school
- Patterns cut into hair are not acceptable.
- Extreme hairstyles (length, colour or design) are not acceptable.
- Make-up is not to be worn at any time.

Skirt Length

Please ensure that your child wears their skirts no shorter than half way between their knee and thigh. Your help in this matter is appreciated.

Sanctions for non-compliance

A student not complying with the school policy can expect:

1. To be questioned by their teacher, an Assistant Principal or Principal on why they are not wearing the correct uniform – a Uniform Slip will be sent home by the class teacher.
2. If the student fails to comply to the dress code twice, then the Teacher will communicate with the Office and the parents will be notified.
3. The third occurrence will result in a parent/school meeting.

Further information can be obtained on the schools website at:

<http://caladeniaps.wa.edu.au/policy/dress-codes/>

Uniform Shop

GENERAL INFORMATION

Communication

Email Notifications

Email is the primary means of communication by the school to notify parents of upcoming events, replacing paper newsletters and notices.

To help us keep you up-to-date with news and emergencies, please ensure correct mobile numbers and email addresses are provided on your child's enrolment application.

Newsletter/Notifications

A newsletter is published every Wednesday fortnight and distributed to parents via email. The newsletter provides a wide variety of IMPORTANT INFORMATION concerning school programs and activities.

Website

Information can also be found on the school website at www.caladeniaps.wa.edu.au.

School App

The App is designed to provide immediate information to parents, students and community members and can be used for enquiries, absentees, school information, school calendar and term dates and much more. At this stage the app is available for all smart phones (ie Apple and Android) and iPads.

Please visit www.ischoolapps.com.au/caladeniaps for more information and a short demonstration. The App can be downloaded free of charge from your store (eg Google Play or iTunes).

Staff/Parents/Administration

Parents are always welcome but for more formal discussions it is advisable to make an appointment to ensure that you have sufficient time in which to fully discuss concerns, issues etc. If you need to see your child's teacher please, either speak with them directly to make an appointment or phone the Front Office.

Absences and Leave Passes

Short Message Service (SMS) – via text

The school uses this service to notify parents/caregivers of unexplained student absences.

Unless otherwise advised by the parent/guardian, SMS messages will be sent to the *Parent Guardian 1*. If this is not the case for your family, please notify the office of the person/mobile number you would like absence notification messages sent too.

If you do not have a mobile phone to receive notification of an unexplained absence please contact the school office to discuss the options available.

Absences

It is a legal requirement that parents provide an explanation for a child's non-attendance. Please ensure that you contact the school either by return SMS, the School App, in writing, by telephone or in person as to the reason for your child's absence. Notes should be dated and will be retained at school.

Leaving School Grounds

Parents/caregivers collecting children during school hours must sign them out at the front office and collect a pink Student Release slip. If your child is being collected by a relative/friend, please phone the school and inform admin staff. Children will not be released to a person who is not listed as a contact on the student file.

Children are not permitted to leave school grounds during school hours, unless written permission has been received by a parent/guardian and approved by the Principal.

Money

The school accepts the following methods of payment for excursions/incursions, charges and contributions, etc.:

- Cash/cheque should be brought to the front office in a sealed envelope, clearly labelled and deposited in the Money Collection Box located in the front office. Where possible, please present the correct money.
 - Direct debit to the school's bank account via internet banking **BSB 066040 A/C 19900612** - please remember to put your child's name or family name in the reference field.

P&C Money Collections

A P&C Money Collection Box is also located in the front office. Correct money should be placed in a sealed envelope with your child's name and the activity.

Internet Policy

The Internet is an exciting and powerful tool for students to research information for both academic assignments as well as their own

personal interests. As part of our curriculum, pupils have controlled access to the Internet and other computer communication facilities. They learn how to use libraries, databases and information sources on a wide variety of topics.

We recognise that some inappropriate material on the Internet may be accessed intentionally or by accident, even though the school has Internet filtering in place. We teach students the importance of responsible use of the web and Email as well as providing basic rules to maintain the privacy of students.

At all times, pupils must agree to follow the **Student Code of Conduct for Internet Use**.

To enable your son/daughter permission to use the Internet please read and discuss the **Student Code of Conduct for Internet Use** and return the permission slip enclosed in your enrolment pack to the front office. Further information can be found on the school website.

Telephone messages

Telephone messages may be left for children in special circumstances i.e. changes to parent pick up.

Canteen

Canteen services are provided to Caladenia Primary School by Forest Crescent Primary School Monday to Friday for students in Pre-primary to Year 6. Orders must be written up before school in a lunch bag, with your child's teaching block clearly marked at the top of the bag. Orders and money are to be placed in the tub located in the School Office by 8.30am. Parent volunteers deliver orders to Forest Crescent by 8.35am and lunches are returned to school by 12.50pm. Lunches are handed out to students at their teaching blocks. Menus are available at the school office. Paper lunch bags can be purchased from the supermarket – these are not provided by the school.

Access Rights

A copy of a Family Court Order must be supplied to the school so staff members are aware of family arrangements, restricted access, etc. Documentation is required otherwise both parents will have equal rights of access.

Emergency Contacts

To assist us in keeping these records up to date, please let us know of any changes to the following important information :

- Parent phone numbers – home, mobile & work.
- Address
- Emergency contact names and phone numbers
- Marital status
- Parental responsibility arrangements
- Medical conditions
- Visa Subclass Numbers

Bicycle Safety

The Police and safety experts consistently recommend that children **under 10** years do not ride bicycles on the road, so we discourage children under **Year 5** from riding bicycles to school unless accompanied by an adult. Children are required **by law** to wear a cycle helmet.

Bikes should be placed in the designated bicycle enclosure and locked or chained to the racks. The enclosure is locked between 8.45am and 2.15pm.

BIKES MUST BE WALKED WITHIN THE SCHOOL GROUNDS. Riding a bicycle or scooter within the school grounds will incur disciplinary action. Children with bikes are only to go to the racks when arriving or leaving school.

Parent/Teacher Interviews

We would like to encourage parents to have close contact with their child's teacher. However, if you do wish to visit the school during school time to check on your child's progress or if there is some other matter that you wish to discuss with the teacher, we ask that you phone the school so that a suitable time may be arranged.

Interim Swimming

Children in Pre-primary to Year 6 have ten lessons during the school year. Parents are required to pay pool admission and transport costs. Qualified instructors teach children in all levels.

Lost Property

Any articles of clothing or personal items which are left around the school are put in the Lost Property boxes located in the Kindy/Pre-primary area and the Sheoak block. Unclaimed items will be cleaned out at the end of each term, named items returned and all other items will be donated to a local charity organisation.

Managing Student Behaviour

Behaviour Management in School (BMIS) is a joint staff, parent and student concern. The students and staff have a right to a supportive learning environment based upon mutual respect and co-operation. The school has a whole school Behaviour Management Policy that focuses on the rights and responsibilities of students, staff and parents. Please visit the school website for further information regarding this policy.

HEALTH AND WELL BEING

Illness and Injury

If your child is unwell before arriving at school, it is recommended they be kept home. Should your child become ill or injured at school, they will be taken to the sick bay for basic first aid and parents called to collect them.

It is important to inform the school if your child has a *medical condition* which may affect their daily health and well being e.g. allergy to bee stings, asthma, diabetes, etc. The school will need to develop a crisis management plan to assist your child if there is an emergency situation.

Please ensure that the school's admission details are kept up-to-date. Current address and telephone numbers are essential because the school has very limited facilities for supervising sick children.

Administration of Medications

Should your child require medication during school hours, the parent must complete a consent form, available at the front office.

Children are not to carry any medication on them. Medications must be handed to the Front Office staff at the beginning of the day.

Staff **do not** administer medications such as paracetamol, aspirin, etc. and these are **never** provided to the children by staff members.

Head Lice

Please check your child's hair frequently and treat head lice where necessary, making sure to remove **all** the eggs. Children are to be excluded from school until full treatment has been carried out.

Infectious Diseases

Medical Certificates are required before children who have suffered from certain diseases may be re-admitted to the school. In some cases a fixed period of absence is necessary. Please consult your doctor regarding school exclusion for the following illnesses:-

- ◆ Chicken Pox
- ◆ Hepatitis A
- ◆ Impetigo (School Sores)
- ◆ Measles
- ◆ Mumps
- ◆ Ringworm
- ◆ Rubella
- ◆ Scabies
