

27th August 2018

Dear Parents/Guardians,

Last year, the community of Caladenia Primary School donated goods for Australian Troops who were serving overseas and away from their families at Christmas. The response was overwhelming – it showed how generous our community is.

This year, Caladenia Primary School will be holding a 'Dress as a Farmer' Day to assist in raising money for farmers and their families in drought stricken communities around Australia. All proceeds will be donated to Rural Aid who provide bales of hay, trucks to deliver the hay, diesel, water and hampers to those in need.

On Tuesday 11th September, students and teachers are invited to come 'Dressed as a Farmer' to show their support for this cause. The Student Executive will be visiting classrooms for gold coin donations.

We would like to thank the staff and families for their efforts in helping to teach our students about giving without receiving and bringing some joy to those that are in need.

Our question to families is, "*Can you spare a 'fiver' for a farmer?*"

Kind regards,

Nicolle Wall
