

Dear Parents and Guardians,

To enhance our learning in Geography, we have organised an incursion where students will have the opportunity to hear from an environmentalist. They will be discussing ways to prevent and stay safe during a bushfire. They will be looking at what we can do as a community to protect one another, and what needs to be done to rebuild and restore after a bushfire.

Date : 6 September 2018

Cost : There is no cost for this incursion.

If you do not wish your child to be involved in the incursion, please contact the front office on 9456 1144.

Kind regards,

Miss Beatty, Miss De Courcey, Mrs Curtis & Mrs McKenzie

Year 5 Teachers
