

Dear Parents,

Please find attached the schedule of contributions and charges and the personal item list for 2020.

We have negotiated competitive prices for high quality materials through Ziggies Enterprises located at unit 25B Baile Road Canning Vale. Whilst you are not obliged to use our preferred supplier, we encourage you to give consideration to supporting a local company that provides quality products and a commission on sales to the school.

There are a number of options available when ordering your personal items, please read the instructions carefully to ensure that you have your packs before the commencement of school in 2020.

Payments of contributions can be made at the school office by cash, cheque or EFTPOS, by direct debit, or through Ziggies Enterprises.

Stars Workbooks and Prime Mathematics for Students from Year 1 to Year 6

All students from Year 1 to 6 will require a Stars Book for English. You will need to pay \$17.00 as shown on the personal item list either to the supplier (preferred method) or directly to the school. Student's level will be determined and the appropriate work book will be issued once payment has been received.

We are continuing with the Prime Mathematics Program in 2020 for students from Year 1 to Year 6. You will need to pay \$34.00 as shown on the personal item list either to the supplier (preferred method) or directly to the school. Students will be issued the complete set of Practice books and Course books once the \$34.00 has been paid.

It is imperative that all students from Year 1 to 6 pay the amounts shown on the personal item lists for the Stars and Prime Workbooks as soon as possible as their learning will be compromised if they do not have them.

Should you have any queries please do not hesitate to contact the School Administration.

Yours faithfully,

Edward Nastasi
Principal
