

Wednesday 4<sup>th</sup> May 2022

Dear Parents/Caregivers of Year 3 and 5 Classes,

Please find attached the NAPLAN Online 2022 timetable. Please note that this is a guide only and the sessions are subject to change depending on a range of factors.

It is imperative that you send your child to school every day during the NAPLAN. Although there are catch-up tests built into the schedule, these are only for those students who were absent due to illness. As NAPLAN tests have to be done in a certain order, if a student misses any tests they will have to do these before they can do the rest.

Please follow the most recent COVID guidelines if your child is affected.

If you have any questions regarding issues of attendance NAPLAN, please direct them to Craig McIlwraith (Deputy Principal) through the front office or via telephone (6258 9350).

Many thanks in advance for your support in this matter.

Kind regards,

Ted Nastasi  
Principal
