

19th February 2021

Dear Parents,

RAC Road Safety Incursion

As part of our 'Your Move' program, we are including an incursion with RAC Road safety for students Pre-Primary to Year 6. Students will participate in a workshop that allows them to learn about skills relevant to their age group, such as: crossing the road safely, being a pedestrian, riding their bike and exploring the rules around road safety. These workshops will give our students the important life skills and understanding of how to move safely around our community. We are hoping that, by being a part of the incursion, students will begin to walk, ride or scoot safely to school. If you **do not** wish your child to participate in the incursion, please advise your classroom teacher.

DATE: Tuesday 9th, Wednesday 10th, Thursday 11th, Friday 19th March
WHO: Pre-Primary to Year 6 students
COST: Free
LOCATION: Caladenia Primary School

Supervision to be provided

Teachers will be supervising children at all times.

To celebrate the involvement of the workshops, students will be encouraged to walk, ride or scoot to school on Friday 19th March as part of National Ride to school day.

Regards,

Nicolle Wall
