

3 May 2021

TO ALL YEARS 2-6 STUDENTS AT CALADENIA:

YOUR NAME: ***Classroom*** (Room).....

It is with great pleasure that we announce a new set of activities at Caladenia to start very soon in our new Acacia Building and elsewhere.

We are introducing Clubs here and we are including the set below which has been through consultation with our Student Exec and staff.

In order to know how many students wish to join Clubs, we are asking that you select which you would like to do by numbering the list '1 to 4' in the order of preference – that is, if you want number 1 as your choice, which would you pick second if that one is full.

- Running Club

- Board Games (includes Chess)

- Dance

- LEGO

The Rules for the Clubs are as follows:

1. You do NOT HAVE TO JOIN A CLUB – it is your choice
2. You join that Club for the whole term (10 Weeks) – do not join if you will not stay with that Club.
3. You cannot join two Clubs at one time
4. You must maintain a Good Standing within that Club (or you lose the privilege of being in a Club)
5. You must NOT bring your own games/equipment from home – you can only use the equipment supplied by the school
6. You must look after equipment carefully
7. You must share the packing away of equipment each session
8. Each Club will operate once per week until we get a better idea of how students are joining
9. We will have a Student Exec Captain for each Club to start
10. The Forms will all be given out at one time this week.

Please return this Form with you name and selections included to the Front Office by **1.30pm Friday 7 May 2021**. Selection will be on a first come basis – the Office Staff will date/time your entries. **PLEASE DO NOT LEAVE YOUR CLASSROOM TO HAND THESE INTO THE OFFICE.** You must hand these in during recess and lunch and before and after school **ONLY**.

More information of when these Clubs will be run (recess or lunch on certain days) and who is in charge of each Club will be given as soon as we know numbers in each Club.

We hope you enjoy the Clubs – it will give students at least one more play activity in the school.

Kind regards
Mr Nastasi
Principal
